## Course information

This course will give the learner a statement of attainment for each unit completed. This course provides the learner with the necessary skills to administer EPI-pen and asthma medication. The student will be able to recognise an anaphylactic episode and recognise an asthma attack. This course is a requirement for many positions within the Children's Services field.

## All Welcome

Bellarine Training and Community Hub invites all people from the community to participate in accredited and non accredited courses offered at the Centre including people with disabilities.
