## Course information

This unit describes the performance outcomes, skills and knowledge required to use personal hygiene practices to prevent contamination of food that might cause food-borne illnesses. It requires the ability to follow predetermined organisational procedures and to identify and control food hazards.

The unit applies to all organisations with permanent or temporary kitchen premises or smaller food preparation or bar areas.

## Pathways

A pathway for this qualification would be completing a the Food Safety Supervisor (FSS) course or completing the full Certificate II in Hospitality.

## All Welcome

Bellarine Training and Community Hubs invites all people from the community to participate in accredited and non accredited courses offered at the Centre including people with disabilities.
